

**NOMINATION FORM**  
**LSU COLLEGE OF ENGINEERING HALL OF DISTINCTION**

In order to recognize individuals and emphasize the significance of their professional contributions and dedicated service to the engineering profession, the LSU College of Engineering established the Engineering Hall of Distinction. It is the objective of the Hall of Distinction to provide suitable recognition for its alumni, faculty, or friends whose distinguished careers have contributed to or reflect credit on the various academic programs in the College.

To become eligible for election to the Hall of Distinction, a person must satisfy all of the following criteria: (1) have established an outstanding professional record; (2) have demonstrated distinguished service to the profession including, interest and dedication to the College of Engineering; (3) have established a personal reputation at either the local, state, or national levels for outstanding character and citizenship for a period of time sufficient in length to reflect without reservation great credit and honor upon the university.
